When do I receive my new bowling ball?

New bowlers will be given their new bowling ball certificates at the mid point of the league. The bowler will then bring the certificate to the BowlersMart Pro Shop to get professionally fitted and to select the specific ball they want.

What if I want my new ball sooner?

No problem - Just pre pay for half your league up front and you will be given the certificate immediately to bring to the Pro Shop at your convenience. You will get professionally fitted and your ball will be ordered right away if it is not in-stock. Your ball will arrive within 10 days.

UPGRADE OPTIONS

Upgrade to a Reactive Resin Ball:

Why would I do this?

This type of ball will allow you hook the ball more. If you are a straight ball bowler and have no interest in learning how to throw a hook ball, then do not consider the upgrade.

How? The Pro Shop will simply apply the value of the T-Zone (\$100) toward any ball the pro shop offers.

Examples:

Upgrade to the Roto Grip Hyped Pearl for an extra \$79 (\$179 - \$100)

or Upgrade to the Brunswick Rhino for an extra \$54 (\$154 - \$100)
